Failure to comply will result in the time for the run just completed being disallowed.**

Competitor will have the opportunity of a minimum of 2 timed runs and if time and the level of entries allow a third timed run may also be offered. The best run time from the first two timed runs offered will be used to decide the results for the overall and class award, and the championship points. The third timed run (if offered) will decide the result for the 'Best Improvement' award.

17. IDENTIFICATION

Identification will be by competition numbers on either side of the car. Numbers will not be provided by the organisers but may be available at the signing on office. **Where a car is driven by two drivers, the numbers not in use must be removed.** If this is not done the timekeeper may not give a time.

18. OVERTAKING

Overtaking a non stationary vehicle will not be permitted. If you are baulked by a slower driver or an incident a re-run may be claimed. Any competitor overtaking a non stationary vehicle or ignoring flag marshals signals may be excluded from the results. All re-runs must be claimed by the competitor in person from the Clerk of the Course.

19. MARKING & PENALTIES

Marking and penalties will be as per the appropriate section of the MSA General regulations.

20. TIMING STRUTS

Timing will be activated by a light beam and competing vehicles will be required to be fitted with a timing strut in accordance with MSA General Regulation S10.9.

21. LOG BOOKS

Competitors are reminded of the requirements of GR S9.1.7. where, unless a car is currently licensed for use on the public highway and is competing on the event in a road legal condition, a log book will be required. Log books will not be available, issued or validated at the events.

22. OTHER GENERAL

All other General Regulations of the MSA apply as written except: S9.2.3. - One car may not be entered by more than two drivers and a driver may only be permitted a maximum of two entries and these must be in different classes.

23. A vehicle which leaves the track involuntarily or otherwise becomes stationary on the track may not complete its timed run. If possible the vehicle should be moved off the track to a safe place. No vehicle may return to the track until the run is completed and instructed to do so by a marshal. A re-run will not be permitted.

24. Dogs are not allowed at these meetings.

25. STARTING PROCEDURE

Lydden Events (on 10/4/10, 5/6/10, 10/7/10 and 23/10/10)

Cars will be formed up in the Paddock assembly area. They will be started from the paddock gate singly, by traffic lights, with 3 cars on the track at one time. Because of the track layout at Lydden and to ensure the safety of all associated with the event, the following starting procedure will be adopted. Competing vehicles will be brought forward to the start line by one of the start marshals at which time the driver must be entirely ready to start. When the traffic lights turn green the competitor has a maximum of 5 seconds to commence his/her timed run. If the competing vehicle has not left the start line within 5 seconds, the start marshal will display a red flag to the competitor and the run will be void. No re-runs will be awarded for this occurrence. Any competitor starting his/her run after the red flag has been shown will be excluded from the event.

Goodwood Event (26/6/10)

Cars will be queued up in the Paddock assembly area. They will be directed to the start line 5 at a time and started from the start line singly, by traffic lights, with 5 cars on the track at one time. Competing vehicles will be sorted by a Paddock Marshal in the Paddock queue to decide the order of starting and will be issued with a card showing a number. This number will be your start position and order of starting on the grid.

Brands Hatch Event (12/9/10)

Cars will be formed up in the Paddock assembly area. They will then be directed through to the Pit Road in groups by a Paddock Marshal. All competitors must obey the instructions given by the Paddock Marshal and any who do not will be excluded from the event. Cars will be started from the Pit Road, by traffic lights, with 4 cars on the track at one time. Because of the track layout at Brands Hatch and to ensure the safety of all associated with the event, the following starting procedure will be adopted. Competing vehicles will be brought forward to the start line by one of the start marshals at which time the driver must be entirely ready to start. When the traffic lights turn green the competitor has a maximum of 5 seconds to commence his/her timed run. If the competing vehicle has not left the start line within 5 seconds, the start marshal will display a red flag to the competitor and the run will be void. No re-runs will be awarded for this occurrence. Any competitor starting his/her run after the red flag has been shown will be excluded from the event.

26. TIMING QUERIES

Any queries regarding time should be raised by competitors with the Secretary of the Meeting at the Paddock Office. Competitors must not approach timekeepers direct and should any competitor query a time directly with a timekeeper he or she will be excluded from the event.

27. NOISE

The noise limit at Goodwood

For the event at Goodwood on 26/6/10 the following noise restrictions will apply:

The Goodwood Motor Racing Circuit venue has some specific noise restrictions which must be complied with. For this event these are: STATIC TEST – A maximum of 105dB at _ maximum revs measured 0.5m from the end of the exhaust pipe at an angle of 45 degrees.

DRIVE-BY TEST – A maximum of 101 dB at 10 m.

Both the above must be complied with. Temporary or insecure exhausts will not be permitted, as exceeding the noise limit at just one of the monitoring stations constitutes a breach of the planning conditions. Noise testing is required by the Chichester District Council to be carried out by Goodwood Staff and if in their judgement a vehicle will exceed the noise limits they will fail this vehicle. THERE IS NO RIGHT TO APPEAL THIS DECISION.

For the event at Brands Hatch on 26/6/10 the following noise restrictions will apply:

The Brands Hatch Motor Racing Circuit venue specific noise restrictions which must be complied with. For this event the maximum limits are: STATIC TEST – A maximum of 105dB at _ maximum revs measured 0.5m from the end of the exhaust pipe at an angle of 45 degrees. The above must be complied with. Temporary or insecure exhausts will not be permitted

For all other events MSA noise regulations apply as per GR J5.17. And J5.18..

28. COMBINED RACE MEETING

Competitors should note that the events on 10/4/10, 5/6/10, 10/7/10, 12/9/10 and 23/10/09 will be followed in the afternoon by a race meeting organised by the South East Motor Sport Enthusiasts Club. The Sprint will finish at approximately 12 noon to 12.30pm and then race practice will commence followed by races for Single Seaters, Saloons, Silhouette Saloons, Sports Cars, and a number of special guest races. If you hold a current an MSA Race Licence and would like also to enter one or more of the races a special discount is available. Race Regulations and entry fees can be obtained from the SEMSEC web site at www.semsec.org.uk or from Ken Greenfield, SEMSEC, Greenfields, 16 Saxonbury Close, Crowborough, East Sussex, TN6 1EA, Tel 01892 652509.
