

The Regis Sprint

Saturday 24th April 2010

FOREWORD

Bognor Regis Motor Club Ltd are pleased to present our annual **Regis Sprint** at the Goodwood Motor Racing Circuit on Saturday 24th April.

As regular competitors will know, the 2.4 mile long circuit is one of the fastest and most challenging you'll ever get to drive. Often described as the spiritual home of motor racing, it has witnessed some fine performances by many of the great racing drivers of the past, and now continues to do so following its revival for historic racing in 1998.

For 2010, we are running to the ever-popular single-lap format however with one difference there will be no convoy laps in an effort to save time and get the meeting flowing as soon as possible and hopefully ensuring that everybody has the opportunity for three timed runs.

Once again, the event is a round in three regional championships also this year a round of the Westfield sports car club speed series and the Pirelli Ferrari Hillclimb championships and we welcome back the Lotus 7 club.

The Chuck Wagon will be open throughout the event for drinks and hot snacks.

We look forward to welcoming back old friends and meeting new ones.
